Henceforth I shall call people who want to roll over and play dead and never wrestle back what's theirs "wildebeest-mongers." Political Correctness is a rot that infects American political culture. It is a school of thought that argues that certain forms of behaviour should be avoided because they will upset someone or because those whose culture/way of life/religion we wish to protect can not understand or accept the need for offence to be taken by the government. Political Correctness is a major force on college campuses.
