Despite being in her own home city in Thailand, the teenager decided she would cut short her holiday and fly to Paris to be with her boyfriend in person. She was worried that he would not see her after she revealed she was pregnant to him. She was arrested upon arrival at Paris airport after only having had around two hours with her boyfriend in Rome, Italy. After her lover's parents found out, the boyfriend said she would be spending the rest of her holiday in the airport. He told reporters: "Everything is all right, I'm fine. She'
