Cracked Yahoo! Emoticon Assistant With Keygen is designed to help you to send all the Yahoo Messenger emoticons at your disposal in one click. This simple program, which uses the Yahoo! Messenger's emoticons to display them in a separate window, has a special section that allows you to select and add them to your favorites list. An interesting feature of the

program is the possibility of choosing your own width according to your screen resolution. Using the auto-sizing mode, Yahoo! Emoticon Assistant Cracked Accounts will adapt its width to the chosen screen resolution. You can also access a separate Help section on Yahoo! Emoticon Assistant website to get more tips and information about the program. Yahoo! Emoticon Assistant: User Guide: Yahoo! Emoticon Assistant is an easy-to-use

application that enables you to access the complete emoticon collection available in Yahoo Messenger. Thanks to Yahoo! Emoticon Assistant, you can easily select all the most used emoticons in the chatting windows and add them to your favorites list. You can also choose a specific screen resolution from the options offered by the program. If you find an error in Yahoo! Emoticon Assistant, it can be reported with a click of the report

button. If you consider the error important, you can also send Yahoo! Emoticon Assistant a support e-mail. Yahoo! Emoticon Assistant Homepage: If you're one of those addicted Yahoo Messenger users and wish to take the most out of this tool's chatting features, you definitely need to take a look at Yahoo! Emoticon Assistant. Especially designed to provide access to the entire emoticon collection provided by Yahoo Messenger, Yahoo!

Emoticon Assistant is a stand-alone application that relies on a very user-friendly approach to serve its purpose. As you probably know by now since you're a Yahoo Messenger aficionado, this popular instant messaging client shows only some of the emoticons in the chatting windows, while others are hidden and can only be used by typing in the “secret” code. Well, that's exactly Yahoo! Emoticon Assistant's goal: it shows all

available emoticons in a separate window, together with a few other handy tools to enhance the whole experience. The interface is clean and well-organized, displaying all Yahoo Messenger emoticons and requiring just a single click to
